"We're Serious about SAFETY"

Team 2 team members should work with school administrator to distribute information from district safety team.

School team should complete walk through inspections and assist with emergency drills.

Team 2 should consist of 5 to 7 members and conduct meetings monthly.

All staff, faculty, and students of Anson County Schools---Safety Team 3

School Administrator (SA) is the team leader for team 3 and should promote safety at every opportunity.

SA works with Superintendent and District Safety Coordinator to ensure the safety of students and campus.

If a safety issue arises and you cannot get in touch with school administrator contact Corey Davis or Jim Kiser.
